Amy:

I am not sure. This property is the parking lot that we currently have our work trailer located on.

Thanks

See the attached for the property the Trustee intends to abandon. It is a .3443 acre parcel located at 4900 Griggs Road. Is EPA performing a removal on that part of the property? DOJ needs to know ASAP because the deadline to file an objection is next Wednesday. Thank you.

Subject: CES notice of intent to abandon property

Amy and Terry,

The attached notice of intent to abandon property just came in on the CES bankruptcy docket. CES is a company related to PACES and is going through a separate bankruptcy proceeding. It looks like our claim against PACES that we resolved last year in the PACES bankruptcy is not involved in the attached notice. But can you have EPA check to see if the property is a site of concern and let us know asap if we need to make an objection to the notice.

Thanks.

Jason
